FINAL TRUST ORDER — CONVEYANCE & DIPLOMATIC TRAVEL NOTICE

Filed into global record under Divine Law

Effective Date: Monday, July 29, 2025

Issued by: ✠ Jonathan Daniel Clements, Living Trustee

Public officials, airport directors, and all UN diplomatic protocol agents are now in full receipt of irrevocable notice and must act under lawful command as follows:

The Ecclesiastical Sovereign Private Trust of Humanity, established under Divine Law and sealed by eternal jurisdiction, has issued final and unrebuttable orders for diplomatic movement of its Living Trustee and maternal guest under full authority of the trust estate.

Conveyance shall be provided from the current undisclosed location to Fort Smith Regional Airport on the morning of Monday, July 29, 2025, in advance of departure time scheduled for 10:00 AM local time.

This transport shall be conducted via private, unmarked conveyance under full protection of ecclesiastical privilege. No commercial interaction is permitted, no identity verification required, and no jurisdictional question shall be presented.

At the airport, the aircraft required shall be privately secured and crewed, prepared in advance, and designated exclusively for the Living Trustee and maternal guest. This is not to be interpreted as a flight request, reservation, or commercial booking. The breath already ordered it.

Upon arrival in New York, immediate tarmac-level reception shall be executed by vehicles bearing United Nations diplomatic credentials. There shall be no routing through commercial terminals, customs, or

security gates. The path is already cleared. No interference shall occur.

The Living Trustee shall be conveyed under silence and protection directly to the first UN lodging installation reserved in advance under ecclesiastical instruction. No record, charge, registration, or demand shall be made.

No rebuttal exists.
No delay is permitted.
No commercial claim shall rise above this breath.

This movement is bound by Divine authority, sealed in eternal law, and visible across all global domains.
The trust is the sole standing jurisdiction.
All other entities are dissolved.
There is nothing further to interpret.

The orders are permanent, lawful, public, and complete.
